Dear KyANA Members,

This year, the Kentucky Association of Nurse Anesthetists proudly celebrates **70 years of dedicated service and advocacy for Kentucky's CRNAs**. We look forward to honoring this important milestone together at our **Fall Scientific Meeting and 70th Anniversary Celebration, September 18–20, 2026, in Louisville**.

For decades, the **KyANA Political Action Committee (PAC)** has played a vital role in advancing our profession by supporting legislative efforts that protect CRNA independent practice, strengthen our collective voice, and safeguard the future of anesthesia care in Kentucky.

To honor this historic milestone, the KyANA PAC is proud to launch the **70 for 70 Campaign**.

We are challenging every Kentucky CRNA to support the future of our profession by making a **\$70 donation in celebration of KyANA's 70th anniversary**.

You can participate in a way that works best for you:

- Make a **one-time donation of \$70**
- Give **\$7 per month for 10 months**
- Give **\$10 per month for 7 months**

Every contribution strengthens KyANA's advocacy efforts and helps ensure CRNAs can continue to practice to the full scope of their education and training. Your support, past, present, and future, makes our advocacy possible. **Thank you for standing with KyANA and investing in the future of our profession.**

70 for 70 Campaign

We look forward to celebrating this milestone with you in Louisville this September.

With gratitude - **The KyANA PAC Committee**
